CHURCHILL SAYS GIGANTIC SOVIET OFFENSIVE PART OF VICTORY PLAN

ING WITH BALKANS

LONDON, Jan. 18.—(P)—Phime Minister Churchill in a war review which ranged from Balkan politics to all the fighting theatres of the world told the House of Commons today that the present Russian drive was part of a coordinated victory plan to keep all fronts "in constant flame until the final climax."

He gave American fighting men complete credit for stopping the "costly sortie" by Field Marshal Von Rundstedt in the west and he once again endorsed the allied demand for the unconditional surrender of Germany and Japan.

Churchill said he and Marshal Stalin had reached an agreement on dealing with the Balkans to prevent future wars, but that this agreement did not divide Europe into spheres of influence after the war.

Again he challenged the House to another vote of confidence on his policy in liberated lands, declaring that Britain would pursue a wartime policy of interference in Middle Europe so long as he held office.

Shortly after this disclosure,
Marshal Stalin announced Marshal
Ivan Konev's Russians had captured Plotrkow, 24 miles southeast of Lodz, "Poland's Pittsburgh."

IONDON, Jan. 18.—(#)—Marshal Konstantin Rokossovcky's Second White Russian army drove to within 17 miles of East Prussia's southern border today. The right wing of the mammoth Soviet offensive in Poland may already have careed the frontier

Saar front.

One hundred Mustang fighters and 100 B17's also made a tactical atack on a rail center West of Mannheim, about 30 miles behind the German lines.

RAF hombers returned to the big German industrial center of Magdeburg with a new load of explosives just before dawn and found the city still ablaze from the previous night's attack.

The raiders returned home without loss, the air Ministry said.

The early morning raid signalized the sixth straight day of an all-out assault upon German fuel resourcers and vital war industries hundreds of miles behind the front lines.

Leter in the forevers the Cerman military commentators said Rokassobcky had thrown 20 gresh divisions into the power drive toward the Baltic, 100 miles north of Przasnycz.

Three great Russian armies, 2, 000,000 strong on a 250-mile front were fast liberating all Poland after the capture of Warsaw, Radom, and Czestochow.

Berlin broadcasts said German troops were "disengaging themselves" all the way from Slovakia to the Polish plains in the face of a "ten-fold Russian superiority." Their next natural line of defense is the Oder river, which farther north runs within 30 miles of Berlin.

Paul Hudgins Is Named Chairman March of Dimes

The March of Dimes, the annual fund-raising appeal of the National Foundation for infantile Paralysis, was organized for action here Wednesday with the appointment of Paul Hudgins as county chairman for the drive.

David Ralston, permanent chairman for the fund, made the aunouncement. In turn, Hudgins announced that Embry Ferguson, Junior Chamber of Commerce head, will have charge of collections secured from the Wishing Well to be placed on the sidewalk in front of McAdams Pharmacy, 100 North Beaton street, on January 25.

Hudgins also announced that

NOW IS THE TIME **GRADE A RUBBER LASTS!**

Due to increased demands for rubber by the War Department, Grade A Rubber may be a thing of the past. There will be no civilian tires this year. Have your tires recapped now. We can show you where Hawkinson Patented Recapped Tires have been driven as much as 398,000 miles on buses. Don't wait until your tire blows out or until it gets too thin to do a good job of recapping. When you have your tire recapped by the Hawkinson Method we leave your tire so you know you are getting your own tire back. By our patented process no heat is applied to the shoulders and sidewalls which naturally gives your tire longer life.

AUSTIN, Tex., Jan. 18—(R)—A final resting place, with the honor due him, has been given to the Rev. Z. N. Morrell, pioneer Texas minister, soldier and author, who died in 1883.

L. W. Kemp, president of the Texas State Historical Association, yesterday supervised removal of Rev. Morrell's body from its original interrment at Kyle, near the Baptist church of which he was a member, to the State Cemetery in Austin.

Morroll's body rests besides that of Rev. William Carey Crane, his close friend during Texas pioneer days and an old-time president of Baylor University.

Information From Navarro County Rationing Board

Retail grocery stores are responsible for mailing to OPA headquarters the exact number of food ration stamps which they list in sending in their reports, W. A. Wright, chairman of the Navarro County Rationing Board, warned Tuesday, "When sugar stamps and" other food stamps are mailed in the screening office at Dallas rechecks each retailer's envelope and if there is any shortage the penalties provided by daw may be imposed against the dealer," Wright

Gasoline Gasoline available for rationing during the first three months this year will be slightly less than the amount rationed the last three months of 1944, Wright said. Passenger car owners have absorbed most of the cut in gasoline for civillan use, he explained. With only 60 percent of all gasoline produced going to civilians, the average car owner gets little more than a third' of what he used before the and 1945 offers little promise

Tire Shortage Wright also gave this information about the tire shortage: WPB has cut tires for the first quarter of 1945 by 1,165,000, or 25 per cent. The immediate result of this cut is that the local board has 10 peri cent less tires to ration this quarter. This means A gasoline car holders will get no tires at all and B and C card holders will get only 70 per cent of the tires they would have been eligible to have. Truck tires continue scarce. The total available for January is

VENEREAL DISEASE EDUCATIONAL FILM VIEWED BY LIONS

SPEAKER SAYS MANY TEEN-AGE NOW IN RAPID TREATMENT CENTER

"Prostitution is the least of our troubles in venercal disease control. Most of our trouble is with teen age school girls, those from 13 to 19," C. P. Ray, supervisor of venercal disease education for the control of the percentage of Health and venereal disease education for the State Department of Health, told his Lions Club audience of men-only at a showing of a VD educa-tional film at the club's luncheon

in the Nasyrro Hotel Tuesday.
"It would break your heart," he continued, "to see so many teenage youth in our rapid treatment centers. The percentage of boys is also high, but the girls are in much larger numbers. There are over

Both the fund raised here and the nackages contributed went A total of \$407.13 was contributed to the Yanks Who Gave fund sponsored last month by the American Legion and approximately 280 Christmas packages were collected here for wounded veterans in thospitals, J. Floyd Smith, commander of the Johnson-Wiggins Post No. 22, American Legion, announced Monday.

Smith said that the American Legion post and the American Legion Auxiliary wished to express their thanks and approciation to the public for the liberal response given to both campaigns.

Smith pointed out that it was the fund sirs. At A 265.

Both the fund raised here and the packages contributed went mostly to veterans at the McClos-key General Hospital, Temple, Smith said. The fund is used to finance telephone calls, telegrams and many other expenses the veterans have for which there is no government allowance. And the packages went to cheer veterans at Christmas time. The Legion Auxiliary collected the fund by placing coin botles in the various stores and public places.

A son was born to Mrs. D. C. Rogers at the P. and S. Hospital Tuesday night.
